

# VON ELM GOES INTO LEAD IN GOLF PLAY-OFF

Bitter Fight at National Open Title.

SHOT OVER PAR

Crown Playing After Long Battle.

Details on Sports Page 11.

TOLEDO, July 6.—Von Elm took the lead in the final round of the National Open golf tournament today, defeating Grant Witherby in a bitter battle.

Von Elm, who had been in the lead since the first round, won the tournament by a score of 144 to 143.

Wetherby, who had been in the lead since the second round, finished in a tie for second place with a score of 143.

The tournament, which has been going on for several days, is being held at the Toledo Golf and Country Club.

## FINAL SCENE

Loretta Young, pretty movie star, whose engagement with Grant Witherby, also of the films, brought down parental wrath slightly more than a year ago, has found the end of her romance and is suing for divorce. Grant hasn't provided his Loretta with the "common necessities of life," she declares. Both are shown above in a loving pose. But that's all over.

## PLANE CRASH FATAL TO SIX

Three Golf Stars Among Victims of Accident in California.

SHIP FALLS 1,000 FEET

Other Air Mishaps Take Toll of Six Lives; 10 Are Injured.

LOS ANGELES, Calif., July 6.—Six persons, three of them California golf stars, were killed here yesterday in the crash of an airplane.

Falling 1,000 feet, the plane bore its pilot and five passengers to death on a rugged hillside half a mile from the Lucerne landing field.

The dead were: George Fatche, former northern California amateur golf champion; Jack Kerrigan, former golf professional at the Rio Del Mar Country Club near Los Angeles; Leon Keller, former leading amateur of southern California; Louis M. Becker, wealthy Los Angeles real estate developer; Miss Signumda Lax of Long Beach; Beckers' fiancée, and William Hoffman of Berkeley, Calif., pilot.

The golfers, with George Horan, San Francisco, player had just completed exhibition games on the course here, before taking the fatal ride. Horan refused the ride. They were guests of Becker.

Twenty minutes after the party took off, the plane's motor went dead. Hoffman attempted to land at the airfield. Apparently striking a downward air current, the plane crashed within half a mile of the field in full view of a large holiday crowd.

SAN CLEMENTE, Calif., July 6.—Clyde White, 29, seeking a license as a glider pilot, was killed Sunday when his motorless craft fell 40 feet while he had been towed aloft by an automobile from which his wife was watching.

LAON, France, July 6.—A plane crashed into a crowd of spectators at an aviation meeting today and killed five persons, at least 10 were injured.

## TRADE EDITORS SEE UPTURN IN BUSINESS

Present Conditions Point to Revival of Buying, Semi-Annual Review Shows.

NEW YORK, July 6.—With resistance to downward tendencies holding prices above present levels, American business now is in the condition that generally precedes an upturn, the semi-annual business review by the National Conference of Business Papers editors said today.

Replacement buying cannot be delayed much longer as a result of the liquidation of inventories of raw products and finished goods the editors believe. An increase in production and distribution already has taken place in some lines, the review said.

Business is expected to receive considerable stimulus from advances in the stock market, according to the review, which reported improvement already was manifest in the automotive equipment and parts section of the automobile industry, chemicals, machine tools, electric power production, textiles, commercial bakeries, furniture manufacturing, construction, meat packing, shoe retailing and radio broadcasting.

The survey, concurred in by 155 editors of technical, trade, security and professional papers said business during the first half year was marked by aggressive merchandising in which manufacturers and retailers developed goods that will sell under present-day conditions.

# GALION MAN IS KILLED IN AUTO ACCIDENT

W. H. Heffner Dies; Youth Critically Hurt in Collision at Bucyrus.

4 LOCAL PERSONS HURT

Are Dismissed from Hospital; Ohio's Week-End Traffic Toll 15.

A Galion man was killed and another critically injured at Bucyrus in the series of automobile accidents which caused 15 deaths in Ohio over the week-end.

No fatal accidents were reported in Marion over the double holiday. Four Marion persons were treated in City hospital for injuries received north of here in a collision Saturday night.

William H. Heffner, 25, of Galion was killed instantly when he was thrown from his automobile in a collision at Whetstone street and the Galion road in Bucyrus Sunday at 8 p. m.

Youth Still Unconscious. George Stout, 19, son of Mr. and Mrs. C. J. Stout of Galion, who was riding in the other machine driven by Donald Seaman, also of Galion, is in a Buick hospital suffering from concussion of the brain and a possible fractured skull. He has not regained consciousness and his condition is said to be serious. Seaman was not hurt.

Two other occupants of the Heffner car were not seriously hurt. Mrs. Heffner suffered a scalp wound and chest injuries and Mary Latta McClain of Galion, Heffner's sister, was cut and bruised.

Bucyrus police said that Heffner drove his car into the path of the Seaman machine. Mrs. Heffner said that she told her husband to cross the street after she had looked up and down the road. He was obstructed by a sign board and she was unable to see the approaching car, she said.

Four Hurt Near Here. Four Marion persons were injured Saturday night when their automobile collided with another six miles north of Marion on the Upper Sandusky pike. Those injured were Miss Annabeth Pöhlner of 250 South 8th street, Miss Florence Hatfield of 601 1/2 North State street, Ernest Witter of 644 East Church street and Leonard Young of 380 South Prospect street.

The accident occurred when the Buick coupe in which they were riding collided with a Dodge touring in which Henry Cox of 299 West Fairground street, Russell Leissey of 117 Garden street were riding. Both cars were going south and the automobiles were driven into the ditch by the impact.

The occupants of the Buick were cut and taken to City hospital by a passing motorist. H. G. Greenfield of 1065 East Church street, where they received treatment for their injuries and were released yesterday afternoon.

Investigates Accident. An investigation of the accident was made by Deputy Sheriff M. L. Baldwin. The occupants of the Buick were returning from Detroit.

Continued on Page Two.

## Heat, Drownings Claim Lives of 14 Ohio Persons

With the severe heat wave broken, Ohio deaths attributable to heat prostrations and drownings dropped to 14 for the double holiday after a week of numerous fatalities, a checkup today by the Associated Press disclosed.

The weather did not interfere with plans of Marionites to celebrate the Fourth as clear weather accompanied by moderately warm weather prevailed all day with the exception of a trace of rainfall early last night.

The dropping of temperatures throughout the day were not uncomfortable, but the mercury rose to a high mark of 91 early yesterday afternoon, dropping to 67 for last night's low. A year ago the high was 92, the low 70.

Fair weather will continue tonight followed by increasing cloudiness Tuesday and local thundershowers Tuesday afternoon, official weather forecasters predicted today. Cooler temperatures for Tuesday night are forecast.

The drowning of Robert William Miller, 9, of Columbus, at Lewis Center in Delaware county, was among Ohio heat fatalities for the two days. Ivan and Walter Towner, 18 twins of Cincinnati, drowned near Tobacco in Clermont county. Thelma Sanford, 27, and William Grutsman, 7, were prostration victims in Cincinnati. Chester Choclain, 13, of Cleveland, and Jewel Tucker, 35, of Willard, drowned. Peter Zenzow, 42, of Akron, drowned trying to rescue his son, Bernard, 14, from the water. The son escaped unaided. V. T. Bogard, 58, Columbus Grove farmer, died from a heart attack induced by heat. Chester A. Birbeck, 19, of East Liverpool, drowned. Robert Klibbe, 7, of Detroit, drowned at Cleveland. James Grindler, 16, drowned in Sugar Creek, near Dover. William Kuntz, 54, of Chillicothe, died when prostrated by heat. Diving into the Muskingum river near Marietta, John C. Dunn, 22, suffered a broken neck.

## STUDY HELPS

Carl J. Bates of Chicago, who was sentenced to 10 years in Joliet penitentiary two years ago, is free today because he devoted all his spare time in prison to the study of law. While studying law during his imprisonment Bates discovered that while he had been indicted on a charge of larceny he was tried and convicted for embezzlement and also that the indictment against him was improper. He petitioned a Chicago judge for a hearing, argued his own case, and was freed.

## OCEAN TIDES COST 20 LIVES

Treacherous Coastal Currents Sweep Victims to Open Sea in California.

SOME BODIES NOT FOUND

Gary Beaches Closed as Lake Michigan Undertow Claims Seven Persons.

LOS ANGELES, Calif., July 6.—A possible death toll of 20 persons was charged today to rip tides which swept beaches in this area over the week-end.

As the holiday crowds numbering hundreds of thousands spread along nearly 50 miles of winding seacoast, life guards kept a close watch for bodies which may have been swirled out by the oceanward currents and later released to be carried back to shore.

Seventeen persons were listed as having perished in the tide. Saturday, although not all of the bodies had been recovered. This heavy toll served to warn Sunday bathers. The treacherous tides continued yesterday, but were denied more than a possible three additional victims three were reported missing from the beaches yesterday.

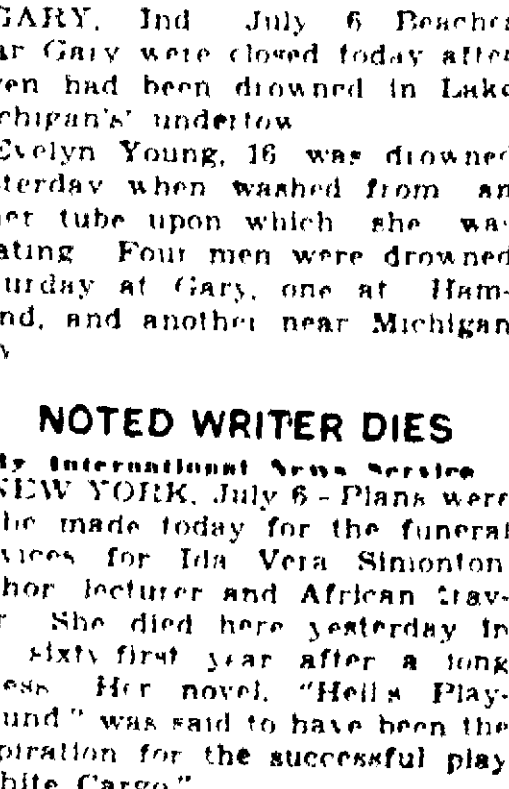

Lifeguards described the rip tides as currents flowing out to sea like swift rivers. They were unable to agree on what causes them, but said they flow at varying angles from the shore.

GARY, Ind., July 6.—Beaches near Gary were closed today after seven had been drowned in Lake Michigan's undertow.

Everly Young, 16, was drowned yesterday when washed from an inner tube upon which she was floating. Four men were drowned Saturday at Gary, one at Hammond, and another near Michigan City.

## NOTED WRITER DIES

NEW YORK, July 6.—Plans were to be made today for the funeral services for Ida Vera Simonton, author, lecturer and African traveler, who died here yesterday in her sixty-first year after a long illness. Her novel, "Hell's Play," was said to have been the inspiration for the successful play "White Cargo."

## Holiday Deaths Near 500

TOTAL HIGHER THAN IN 1930

Fireworks Accidents Fatal Only to Six, but Many Are Injured.

DROWNING LIST HIGHEST

Huge Figure Represents Victims of All Causes Throughout Nation.

By The Associated Press. The largest number of Fourth of July deaths in recent years occurred in the United States as the nation celebrated the 155th anniversary of its birth.

Close to 500 persons lost their lives from various causes in the two-day celebration. Fatalities from fireworks were six, but only one half of what they were in 1930. Automobile accidents and drowning were by far more numerous this year. One hundred and sixty persons lured to the highways, pushed in motor car mishaps, compared to 81 last year, while drowning fatalities totaled 181. Almost three times as many persons lost their lives in the water as compared with 1930 when the total was 57. Twenty-four died from the heat while 14 were killed in airplane crashes.

504 More Than in 1930. The total of deaths from all causes as shown in reports from the entire country gathered by the Associated Press was 483. This was 304 more than died in the 1930 celebration.

The midatlantic section of the country had the greatest loss of life with a total of 147. This mid-west was second with 106 and the Pacific coast states third with 91. The South was fourth with 57. The New England states fifth with 44 and the southwest sixth with 31. The Rocky Mountain states were last with but nine.

Although few died from fireworks many were injured. The midatlantic states alone reported approximately 1,900 injured. Of these New York City, where the sale of fireworks is forbidden had at least 1,600.

No Deaths in Vermont. Vermont, native state of former President Calvin Coolidge, who celebrated his birthday anniversary July 4, had no deaths at all.

Eleven men and a girl were drowned Saturday and Sunday in the vicinity of Chicago. Seven of the victims met their deaths in the stormy waters of Lake Michigan where high winds whipped the waves and created such a strong undertow that some of the beachers including those at Gary Ind. were closed by the police.

Of the airplane deaths six were killed at Lucerne, Cal. when a plane fell 1,000 feet.

## WHEAT SALE PLAN STANDS UNCHANGED

Board Makes No Further Concessions, but Promises Effort To Sustain Prices.

WASHINGTON, July 6.—The wheat board today announced that it would make no further change in its sales policy for stabilization wheat.

After conferring with Stone for nearly two hours Curtis said that Stone had made it clear that the sale of wheat would be conducted in such a way as not to depress prices.

Curtis said the board evidently did not propose to unload any of the more than 200,000,000 bushels of wheat on the market at the present range of prices.

He added he would have preferred a definite pledge to hold the wheat until the price had reached 85 cents or \$1 but that the July 1 announcement made by the board was the best that could be obtained at present.

## FIVE INJURED

Marion Residents Hurt When Car Turns Over at Wooster.

Five Marion residents today were recovering from bruises and cuts as a result of an accident east of Wooster yesterday about 6:30 p. m. Mr. and Mrs. James Manzo of 221 Wallace street and two children and Charles Bruno of 555 North State street were returning to Marion after visiting in Johnstown, Pa., and when nearing Wooster, Mr. Manzo, who was driving a Chrysler sedan, was forced into the ditch to avoid striking another car. The sedan turned over twice. Mrs. Manzo suffered a dislocated elbow. The Manzo children received slight cuts and severe bruises. Manzo and Bruno were also slightly cut and bruised. The car was towed to Wooster, and the occupants returned to Marion in an automobile which they secured there.

## Few Mishaps Mar Peacefulness of Marion's July 4 Observance

Mishaps Were Limited to Four Persons, but Peaceful Events Took Place. The power line of the quick lighting of fireworks in the city of Marion a check-up was made.

For the first time in six years Marion spent the entire day in a peaceful manner. A single fire being reported. It was the first time in many years that fire works had caused some fire damage in Marion.

Police spent an uneasy full day. The day's work for the department consisted of a raid in which a small quantity of beer was taken and the arrest of one intoxicated man. Police Chief Williams Marks who made several tours of the city during the day said no unusual disturbances were reported.

Barbara Withrow, 8, suffered an injury to her left eyeball when a piece of steel from an

## FALLS INTO CHASM

Mountain Climber Slides Down Ice Into 1,200-Foot Crevasse.

By The Associated Press. A MOUNTAIN climber who slid down an icy incline into a crevasse about 1,200 feet deep today was with a party of 11 which included his brother, Kenneth. The party had approached with 500 feet of the summit when Robert's brother reported he came down and expressed a desire to return. The brothers sat down to rest and Robert stated sliding toward the crevasse. Kenneth tried to help him but his brother was also sliding when his descent was stopped by Nelson Withrow, a guide.

## "DRY AGENTS" BEAT, ROB 2 BUCYRUS MEN

Automobile Stopped by Quartet, Who Escape with \$135; Victims Bruised.

Special to The Star. BUCYRUS, O., July 6.—Four men posing as federal prohibition agents, stopped and robbed George Rath and H. L. Volkmann of Bucyrus last night. The men carried with \$135 in cash and \$25 in checks.

Rath and Volkmann said their automobile was stopped about six miles north of here on the Tiffin road last night by four men who said they were dry agents. When the "agents" authority was questioned the victims told Crawford county authorities the men hit them over the head with blackjacks and the butts of guns. Both were badly bruised.

Charles C. Ford Volkmann today was searching for the four men. The victims were unable to furnish a description.

## OFFICIALS REJECT STRIKERS' DEMANDS

100 Deputy Sheriffs Supervise "Hunger Marchers" Who Make Relief Pleas.

By The Associated Press. ST. CLAIRSVILLE, O., July 6.—Religious county commissioners today rejected the demands of 1,000 striking miners in the eastern Ohio coal fields who staged a "hunger march" on the county office.

A delegation of 10 representatives of the strikers went before the commission and presented seven demands, all of which were immediately rejected. The delegation was selected at a mass meeting at the fairgrounds where the miners assembled.

The demands were for \$10 per week for every striking miner and \$5 each for dependents, formation of a coal and insurance fund, free "hunger" list and food for the strikers, the county to pay the rent of the strikers, from company houses, immediate withdrawal of all armed deputies from the county, the right to picket any properties without interference, payment on the union scale of wages on all perfect work and repeal of the Ohio criminal syndicalism law.

The "hunger marchers" gathered at the fairgrounds under the supervision of 100 armed deputy sheriffs who had orders from Sheriff Howard Duff to see that order was maintained.

Paul Rohrer, one of the committeemen, announced to the strikers that the refusal of the board to comply with their demands would result in a bigger march moving soon and a harder fight to win the strike.

## EXPLOSION FATAL

Small Torpedo Causes Death of Man in Philadelphia.

By International News Service. PHILADELPHIA, Pa., July 6.—Thomas McIntyre, 42, and Albert Manning Jr., 11, engaged in a friendly independence day argument with McIntyre maintaining a small torpedo was perfectly harmless.

To demonstrate, McIntyre placed the torpedo in his mouth and bit it. The torpedo exploded and blew away McIntyre's left cheek, resulting in his death soon afterward.

## FRENCH VOTE OK TO TEXT

Cabinet Approves Negotiations Seen as Basis of Debt Accord with U. S.

ANNOUNCED BY LAVAL

Official Communique Telephoned to Washington by Mellon.

By The Associated Press. PARIS, July 6.—An official communique telephoned and approved the text of a basis of accord between France and the United States.

The text was to be telephoned to the United States by Secretary Mellon the communique said. The official statement was read to correspondents by Premier Laval at the conclusion of a meeting of the cabinet and just as the negotiations were going to dinner.

"Premier Laval met in his office this evening with Secretary Mellon, Ambassador Edge, Foreign Minister Briand, Budget Minister Pierrat, Finance Minister Flandin and Andre Francois Poincaré, undersecretary for national economy," the communique said.

"The cabinet examined the replies which came from Washington to the last French proposition."

WASHINGTON, July 6.—Seeking a direct way out of the tangle of technical discussion on the Hoover moratorium proposal, the American government proposed to France today that the two governments simply announce their agreement in principle, and leave the details to experts.

At the same time acting Secretary Case of the state department gave to the world a reassurance that the points remaining in dispute were not regarded here as seriously threatening final success.

Th United States has no doubt, Castle said, in a statement, that the moratorium will become effective.

President Hoover, who interrupted his week-end at the Rapidan camp to hurry back to Washington yesterday and resume his conferences with Castle and others on the moratorium proposal, has felt that delay and uncertainty would seriously detract from the effect of the plan on the world economic situation.

Castle's statement followed a reliably founded news report that although the remaining difference was described as "trivial" because it might affect the split or the moratorium proposal, President Hoover today hoped that his representatives in Paris would be able to reconcile the French and American attitudes.

Get New Instructions. Secretary Mellon and the Ambassador Edge had fresh instructions from their chief for today's negotiations in Paris. They were told not to accept a French plan to give unlimited freedom to technical experts who would work out

## PREPARE MOVE TO HAVE FALL JAILED

Federal Prosecutor To Make Request in Court Tuesday.

By The Associated Press. WASHINGTON, July 6.—Government counsel will appear before Justice Bailey in the District of Columbia supreme court tomorrow morning to ask that Albert B. Fall, former secretary of the interior, be brought here at once to begin his jail sentence.

Prosecuting attorneys said the government believes after a perusal of their physicians' report that Fall was able to come immediately to Washington.

Fall's private physicians have said that he could not stand the trip to Washington.

Frank Hogan, Fall's attorney, will appear in court and may object to the government's request. Justice Hitz, who presided at the trial which resulted in Fall's conviction, said at that time that he would suspend the jail sentence if it were to be executed then because of Fall's physical condition.

Fall was convicted of receiving a bribe of \$100,000 from Edward L. Doheny, wealthy oil man, in connection with the lease of the Elk Hills, Calif., naval oil reserve to a Doheny company. In addition to the sentence of a year in the District of Columbia jail, he was fined \$100,000.

His appeal to the supreme court failed early in June.

## STIMSON IN EUROPE

By Associated Press. PALERMO, Italy, July 6.—Secretary of State Stimson arrived today aboard the Conte Verde, for a visit to European capitals. He will leave aboard the same ship tonight for Naples.

## ILLNESS FATAL TO ARTHUR WARNER, 29

Marion Man Claimed; Funeral To Be Tuesday at 2 P. M.

Arthur Warner, 29, died of pleural pneumonia yesterday at 12:10 p. m. at the home of his grandmother, Mrs. Ella Moxing, of 213 Sharp street. He had not been well for several years. He was known to his friends as "Jack Warner."

Surviving him is his wife of less than a year, Mrs. Lucetta Ruth Warner, to whom he was married Dec. 18, 1930, in Lima, his mother, Mrs. Effie Hickman of Sharp street, an uncle, Charles Adams of Rio Grande, O., a brother, Clyde Warner of Park boulevard, a step-father, Harry Hickman, a step-grandfather, Charles Moxing and the grandfather, A. H. Henson of Richmond, O.

Mr. Warner attended Wesley M. E. church. He was born July 2, 1902, in Collins, O. to Mr. and Mrs. Alma Warner. His father died in April 1930.

Funeral services will be held Tuesday at 3:30 p. m. at the home of Rev. W. M. Merrill, George pastor of Wesley church in charge. Burial will be made in Marion cemetery. The body will be removed from the M. H. Gunder funeral home on West Center street late this afternoon and may be viewed at the home.

## ARNO USES RUSE TO ESCAPE REPORTERS

New York Artist Enroute East Dodges Interview on Vanderbilt Episode.

By United Press.

CHICAGO, July 6.—Peter Arno, new York artist, who has been in the city since his arrival here, was believed to be dodging New York today after having dodged newspaper reporters by leaving a transcontinental train at a Chicago suburb.

A private automobile was waiting for Arno and his companion when they left the train at Wheaton, Ill., and they disappeared immediately. Half an hour later a man telephoned County Clerk Clarence Wagerman, asking if he could obtain a marriage license within 10 minutes and hung up without giving his name when the request was refused.

It was believed Arno did not wish to discuss with Chicago reporters his famous argument with Cornelius Vanderbilt, Jr., and for that reason left the train at Wheaton.

"Arno stayed in his compartment during most of the trip from Reno to Wheaton," said the conductor of the train "and Mrs. Smith stayed in her car. I heard rumors among the passengers that they were married, but it was a strange honeymoon if they were."

The conductor declared that Arno and Vanderbilt had a fight at the railroad station in Reno. He said Vanderbilt was at the station and threw a blackjack just before the train pulled out.

The Vanderbilt Arno feud arose after Vanderbilt recently accused Arno of being too attentive to Mrs. Vanderbilt. Arno has since been divorced by Lois Long, magazine writer, and both Mr. and Mrs. Vanderbilt have filed suits for divorce.

### ROBBERY EPIDEMIC

By The Associated Press.

TOLEDO, O. July 6.—Seven gas stations and two restaurants were robbed of \$347.50 yesterday by four men in less than an hour and a half. They escaped after exchanging shots with police.

**Ambulance Drives.**—The M. H. Gunder invalid car made three drives Saturday and today: Mrs. James Nemes from City hospital to 287 Park boulevard Saturday afternoon; Mrs. G. F. Miley from City hospital to the home of her daughter Mrs. C. Price of 851 Congress street this morning.

A new reading glass that focuses automatically contains a small electric light in its handle that can be plugged into a lighting circuit to illuminate a page.

## Tariff Ranked as Guard Against Wage Reductions

Administration Set for Campaign Extolling Smoot-Hawley Bill in Face of Democratic Demands for Revision Downward.

By International News Service.

WASHINGTON, July 6.—In the face of Democratic demands that the Smoot-Hawley bill be revised downward, the administration today was planning a campaign to extol the tariff as the savior of the American wage level in the current depression.

Administration spokesmen have been highly pleased with recent decisions of the U. S. Tariff commission which held that 14 out of 30 rates investigated were either fair or too low. In 12 cases did the commission recommend a slashing of the tariff.

The administration forces will use this record of an impartial investigation by an impartial agency as a Republican argument to the inquiry of the tariff.

## BERKMAN FACING OUSTER IN FRANCE

Another Move Coming for Radical Deported from U. S. in 1919.

By The Associated Press.

PARIS, July 6.—Alexander Berkman, deported from the United States with Emma Goldman in 1919 for radical activities, faces expulsion from France after three months.

The government has issued an order for his deportation but has granted him a suspension in order to investigate his conduct more thoroughly. He has been living in Montparnasse for some time while his former associate has been staying in the French Riviera.

He denied that he had been dabbling in political affairs, and insisted France had no reason to order him from the country.

"When any French government feels it is about to fall," he said, "they renew my order of suspension. Now that Pierre Laval's cabinet seems destined to stay I am likely to stay too. Why should France be afraid of an international literary ghost?"

Berkman has been ordered deported from France three times. He was sent to Belgium in 1920, but was allowed to return on the strength of friends' intervention and took up the translation and revision of manuscripts.

## MRS. C. E. CLUTTER CLAIMED BY DEATH

Marion Woman Dies at Home After Lingering Illness.

Mrs. Clara Rosella Clutter, 44, died today at 3 a. m. at her home at 1213 East Church street. She had been ill for the last 10 years and critically ill for the last six weeks. Heart trouble and complications combined, caused her death.

Mrs. Clutter was a member of Central Disciples of Christ church of the Local Daughters class and Women's Missionary society, and of Marion Temple No. 381, Pythian Sisters.

She leaves a son, Kenneth Clutter, her husband, Charles Clutter, to whom she was married May 6, 1903, in Marion; her mother, Mrs. Caroline Albright and three sisters, Mrs. Ray Hill of Clover avenue, Mrs. Frank Phelan of Columbus and Mrs. Pauline of Detroit, Mich.

She was born Dec. 15, 1886, in Columbus, to Mr. and Mrs. Fred W. Albright, both natives of Germany. Her mother is living in Marion.

Funeral services will be held Wednesday at 2 p. m. at the home and at 3:30 p. m. at the Central church in charge of the pastor, Rev. James O. Dodd. Burial will be made in Marion cemetery. The body will be removed from the C. F. Curtis Co. mortuary on East Center street tonight and may be viewed at the home from Tuesday morning until service time.

## Columbus Resident Hurt in Accident Near Here

Dever Miller, who gave his address as 798 Summit street, Columbus, was severely cut on his arm in an accident Saturday afternoon south of Marion. He was taken to the office of a local physician and later to City hospital where he was treated. He told the physician that his arm had been crowded off the road into a ditch, and that he and the three others in the car with him were on their way to Marion.

**Skull Not Fractured, Sage X-Ray Reveals**

A study of the X-ray pictures taken Friday of the head and shoulder injuries suffered by Walter Sage, assistant county surveyor in an accident June 27, show that although there is a concussion of the brain, no bones were fractured and that no bones were broken in his shoulder, his physician said today.

His condition continues to improve at City hospital.

## GOVERNOR AT FUNERAL

By The Associated Press.

NEWARK, O. July 6.—The funeral of Harry Beasley Newark policeman and decorated World war veteran who was killed while attempting to capture two robbers was attended today by Governor George White.

Builders of a new London department store are planning to install a moving mart for private dirigibles and a landing field for private airplanes on its roof.

## SEEKS OFFICE

O. K. Allen (above), chairman of the Louisiana highway commission, is Huey P. Long's choice for the Louisiana governorship which Long is leaving for the senate. Allen will head the Long-backed ticket in the Democratic primary.

## GOVERNMENT SILENT ON POPE'S MESSAGE

Mussolini's Course in Regard to Encyclical To Be Decided Thursday.

By The Associated Press.

ROME, July 6.—Issuance of the week-end papal encyclical "concerning Catholic action" the Italian government is understood to feel, has made the situation between the church and state as difficult as to render negotiations almost useless for the moment.

The government is maintaining silence, but there is a prospect of a renewed editorial campaign by Italian newspapers against the Vatican and it has learned today that in a forthcoming note of reply the government will inform the Vatican that the encyclical has created an unfortunate impression.

Whatever course of action the government takes will be determined at a cabinet council on Thursday.

It has been learned on good authority that both sides to the dispute will refrain from any precipitate action although Premier Mussolini is not believed to have retreated from his position and the pope still maintains that the church is "suffering persecution."

The pontiff, it is said, is not at this time considering recalling the Papal Nuncio to Rome, an action which some believed he was on the verge of taking.

## GALION MAN KILLED IN AUTO ACCIDENT

W. H. Heffner Dies; Youth Critically Hurt in Collision at Bucyrus.

Continued from Page One

The car is owned by Young and Wittich was driving at the time. The body of the man killed at Bucyrus was taken to the Volk funeral home at Gallon to await funeral arrangements. Heffner was employed at the Hotel pool-room in Gallon for many years.

Heffner is survived by the widow, three children, Mrs. Leslie Schreck of Gallon, Layton Heffner of Ashland, six grandchildren and two sisters, Mrs. McClain of Gallon and Mrs. David Keys of Sidney.

## FLIERS OVERDUE AT FAIRBANKS, ALASKA

Seattle-Tokyo Flight Postponed as Refueling Plane Missing Over Canada.

By International News Service.

SEATTLE, Wash., July 6.—Postponement of the proposed non-stop flight to Tokyo was announced today by Reginald Robbins and Harold Jones, Texas fliers, as fear began to be felt for their refueling plane which had failed to report at Fairbanks, Alaska.

The fliers had planned to refuel their plane in the air at Fairbanks and again over Nome. The refueling plane left Edmonton, Alberta, Canada, Saturday and was last heard of when sighted over White Horse yesterday afternoon. It was piloted by James Mattern and Nick Greiner.

By United Press.

NEW YORK, July 6.—Unfavorable weather caused another delay today in the proposed flight to Budapest by Captain George Andries and Captain Alexander Muxart in the "Justice for Hungary."

The fliers arose at 4:30, went to Roosevelt field, prepared for the takeoff, then shortly after 6 o'clock went back to bed with the announcement the flight would start Tuesday.

## Killing Ends Long Matrimonial Strife

CLEVELAND, O. July 6.—Twenty-five years of married life were ended today for Mr. and Mrs. Antonio Mercurio with the husband slain and the wife in jail where police said she confessed to hitting him on the head with a 5-pound sledge hammer.

According to the alleged story of the wife, Mrs. Josephine Mercurio, 35, their married life was filled with turmoil. She said Antonio, 35, had been intoxicated often and many times had threatened to kill her.

By The Associated Press.

NEW YORK, July 6.—Funeral services will be held here tomorrow afternoon for Rev. Dr. John Abner Marquis, former moderator of the general assembly of the Episcopal church and president for many years of Coe college, Cedar Rapids, Ia. Burial will be at Cross Creek, Pa., on Wednesday. Dr. Marquis died here yesterday at age of 79.

## FRENCH MOVE TO AID DEBT RECORD

Official Communiqué Telephoned to Washington by Mellon.

Continued from Page One

Details necessary for a years pension of war debt and reparations payments.

The remaining point of variance which a high administration authority described as both crucial and critical involved reparations in kind.

France suggested that arrangements with reference to these reparations, which would amount to \$200,000,000 or more between July 1, 1931, and June 30, 1932, be left wholly to the technical experts.

The United States insisted however that these negotiators be instructed to evolve a plan in no way affecting the principle of the President's idea to help the world by helping Germany.

Payments in kind work this way. A French business man buys a manufactured product from a German firm. The German government pays the manufacturer while the French business man pays his government for the product.

The United States expressed willingness to let these payments continue but contended the money involved should be returned to Germany.

Points Agreed Upon

So far the two governments had agreed on the following compromises:

1. Let Germany refund in 12 years credits from continued payment of unconditional reparations to the bank of international settlements.

2. Extend these credits to the German railway, which bears the heaviest load of reparations instead of to Romania, Yugoslavia and Czechoslovakia as well.

3. Submit to signatures of the Young plan the French questions over her guarantee fund payments to the international bank.

The instructions to Secretary Mellon of the treasury, and Ambassador Edge were dispatched last night. They did not get back until this morning and he had a short week-end holiday at the Italian camp.

The chief executive was advised that the American negotiators in Paris had reached a tentative "basis" for a moratorium agreement and decided he could obtain a clearer knowledge of the proposals by a first-hand study. It was after this study that he received the French plan to give unlimited freedom to technical experts.

Asks for Safeguard

One other point had been cleared up in the discussions. France asked assurance that benefits accruing to Germany under the moratorium would be reflected in heavier expenditures on German armaments.

Paris, July 6.—Secretary Andrew W. Mellon today gave the French negotiators a new memorandum summing up the entire American position regarding President Hoover's moratorium proposals.

The document was regarded as so important that Premier Laval requested time to consult his entire cabinet, promising to give Mr. Mellon his answer later.

Complete accord now seems to hinge upon agreement concerning payment of reparations in kind by Germany and both sides hope solution will be found for this problem in conformity with the spirit and scope of the Hoover plan.

The Hayes news agency understands that both sides have agreed to go on record as accepting the Hoover plan as it stands with the reservation that an accord be reached concerning the methods of its application.

Hayes understands also that Premier Laval will ask for a conference of the powers which signed the Young plan and are interested in the suspension of German payments. It is understood this decision will be made public tonight after a meeting of the French and American negotiators scheduled for 7 o'clock.

## BIRTHS

A daughter, Alice Jean, was born Saturday at City hospital to Mr. and Mrs. William C. Ebel of 427 Pearl street.

Mr. and Mrs. Floyd Barnett of Prospect are the parents of a son born yesterday at City hospital.

## Two DeCliff Men Out on Bonds of \$1,000

G. G. Miller, 33, and Roy Vernon, about 35, both of DeCliff, are free under bonds of \$1,000 each today pending jury trial on charges of contributing to the delinquency of a minor girl.

Both men pleaded not guilty when arraigned on the charges before Juvenile Judge Oscar Gast Friday afternoon. Miller's trial was set for Aug. 4 and Vernon will be tried July 28.

## Former Episcopal Church Head Dies

By International News Service.

NEW YORK, July 6.—Funeral services will be held here tomorrow afternoon for Rev. Dr. John Abner Marquis, former moderator of the general assembly of the Episcopal church and president for many years of Coe college, Cedar Rapids, Ia. Burial will be at Cross Creek, Pa., on Wednesday. Dr. Marquis died here yesterday at age of 79.

## Epworth M. E. Minister Cites Modern Life Perils

Dr. C. E. Turley Preaches at First Presbyterian Church at City Union Church Service; Says America Needs New Puritanism.

Five perils of modern life which he cited as the greatest of dangers to the soul, the minister of Epworth M. E. church preached a sermon on the subject "America Needs—A New Puritanism."

Presiding the service, Mrs. Harry T. Walling gave a 2-minute prayer. A quartet composed of Miss Earl N. Hale, Miss Mildred Dunlap, John F. Lacey and L. H. Taylor sang.

The five perils of modern life listed by Dr. Turley, follow:

1. The peril of acclimatization, men-

2. The peril of mad speculation, seeking a short cut road to financial success, gambling in futures, dealing in fictitious values.

3. The peril of the cold philosophy of materialism which teaches that matter with its property and force, constitutes the supreme reality of the universe.

4. Hedonism, that doctrine that happiness, here and now, is the supreme motive of all conduct.

5. Atheism which hangs the clouds and mists of doubt, uncertainty and despair over the life of man.

Three cardinal points of this new Puritanism, Dr. Turley emphasized, and said as follows:

"We need a new confidence in the reality of God. The Puritan of that early day had a sense of God's reality. So we, in this day, must feel that back of this universe of ours and at its heart there is a great personal creative benevolent God."

"We need a new vision of the Christ. The Christ who had the capacity for moral indignation, whose righteous soul was stirred to the depths over cruelty, wrong and oppression. Who, with burning words, attacked, incessantly, hypocrisy, inconsistency and oppression. Who sent men out to 'tread upon serpents and scorpions, and to tread upon every kind of beast.'"

"Then there is a need of new endowment of spiritual power. The early disciples obedient to the command of Jesus tarried at Jerusalem and after 10 days of waiting were endued with power. And they went out not to live in the hazy border, but between doubt and faith, but with the firm confidence that they were the messengers of God."

"We must live our lives in our day and generation. We cannot go back to many of the customs and practices of the early Puritans. But we can live in the consciousness of the reality of God, we can follow the leadership of the militant Christ, and we can receive a new endowment of spiritual power in order to handle the acquisitions of this scientific age in which we live."

Carl Linder of Wilson avenue was slightly burned on the right hand from a firecracker explosion.

## Printer's Ink Odor Familiar to Veteran of Half Century

Charles W. Kramer, 66, of 565 Vernon Heights boulevard, mechanical superintendent of The Marion Star, today reached his fiftieth milestone as a printer while enjoying a vacation in Canada.

In 1881 he began his half-century career as a printer "devil" with the Myriad Union at Upper Sandusky at the age of 16. After a number of years there, he went to Chicago to do job printing for three years.

After this Mr. Kramer became a printer in Marysville, and in 1892 came to Marion to work with the Marion Mirror. In November 1894 he joined The Marion Star, graduating to the position of foreman of the job plant before he became mechanical superintendent in 1924.

Married in 1904, Mr. and Mrs. Kramer are the parents of five children. Miss Philip Von Vol of New York, Mrs. Joseph Locke of Syracuse, N. Y., Mrs. Doherty Thrush, Miss Ruth Kramer and Charles W. Kramer Jr. of Marion.

He has been a member of the Marion Star since 1924.

The document was regarded as so important that Premier Laval requested time to consult his entire cabinet, promising to give Mr. Mellon his answer later.

Complete accord now seems to hinge upon agreement concerning payment of reparations in kind by Germany and both sides hope solution will be found for this problem in conformity with the spirit and scope of the Hoover plan.

## HOOVER PAYS HONOR TO GLOBE GIRL

Presidential Luncheon Included in Washington Program Today

By The Associated Press.

WASHINGTON, July 6.—The foreground of rewards today was the dash around the world by Wiley Post and Harold Gatty.

Their cutting of globe and less than nine days was as sesame to White House through which a long line of nation's heroes has paraded from deeds.

Arrangements for reception of the fliers, their wives and backer, F. C. Hall at Washington airport were made when poor weather forced to cancel their proposed flight.

Due at the White House an hour before the Presidential luncheon at 1:15 p. m. the fliers had a short parade along Pennsylvania before being received by Captain Russell Train and Campbell E. Hodges, navy military aides to the President.

On the White House guest list were the names of notables while a second for the quiet airman was arranged a modest reception to have it attain to such proportions as to outgrow the space of the clubroom and necessitate change to Washington auditor.

Acceptance of the airman, the National Aeronautic association stood as the feature of evening banquet where more than 700 people will be the background for the capital's final acclaim.

O. N. G. IN TRAINING

## Chicago Stars To Appear On Air Program

By Brush-Moore Leased Wire  
 Miss Ann Case, stars of Chicago and Metropolitan Opera Companies will be heard from 9:30 to 10 p. m. over an NBC-WJZ network. They will sing semi-classical songs in duets and solos and they will be assisted by the orchestra under the direction of Nathaniel Shilkret.

The Roxy Symphony Orchestra will play Mozart's celebrated symphony in G Minor in its broadcast tonight. The orchestra will play this symphony in its entirety and will give special attention to the woodwinds of the orchestra. It will be broadcast from 6:45 to 7:30 p. m. through the Chicago stations of the NBC network.

The return of the famous quartet, Marion, James, Shaw and Glenn to the air after an absence of several months while they were touring Europe will be welcomed by their large audience at 8:30 p. m. over the WEAF coast-to-coast network. On the summer series of the program they will broadcast as a quartet and soloists. Lewis James, tenor and Louis Bennett, soprano, will be the soloists tonight.

## Air Show To Aid Community Chest

By The Associated Press  
 MANSFIELD, O., July 6—The Mansfield community chest is sponsoring a three-day air show here July 24-26. Thirty pilots will compete for \$1,000 in prizes. The chest is to receive all money over and above expenses, the funds to be applied to the deficit the chest experienced in its last campaign. The Chicago & Eastern Airway, Inc., has leased the airport here and will underwrite the show. Officials said that work of erecting a \$20,000 port, a beacon light and markings for the field will start in the immediate future.

## PLAN PICNIC

Wyandot Group To Hold Outing at O'Shaughnessy Dam.

WYANDOT, July 6—Mr. and Mrs. Clifford Campbell, welcomed members of the Stabitzer class of the Methodist Sunday school Thursday night. Plans were made for a picnic to be held at O'Shaughnessy dam and a picnic committee was appointed composed of Misses Lucille Jure, Donna Shockler and Avonelle Jure. The hostess served refreshments. Miss Mary Campbell of Merion was a guest.

Mrs. B. K. Hoover entertained the Mt. Zion Ladies Aid society Thursday at an all-day meeting. At noon a potluck dinner was served. The day was spent in quilting. Miss Maude Hoover, of Columbus, was a guest.

## MAN FINED \$100

MARYSVILLE, July 6—Melvin Spain, arrested on a charge of possession of intoxicating liquor, changed his plea from not guilty to guilty and was fined \$100 and costs.

## SEE IMPROVED DAIRY OUTLOOK

Survey Indicates Better Market for Butter and Other Products.

By The Associated Press  
 COLUMBUS, O., July 6—Butter production is apparently falling off as compared with last year with May definitely lower and June indications under the same month for 1935, according to Carl J. West, research director of the Ohio Farm Bureau. A decline in production for these two important months has a very significant bearing on the probably trend of butter prices, the director said.

Continuing West said "pastures were fairly short in many dairy sections during the month of May so that a decline in production in this month alone might not have been significant. But when June showed the same direction in its production it began to appear that there is a real decline in the production of dairy products."

"Another very favorable factor in the dairy industry is the increase in butter consumption. From January to June of this year the consumption of butter has increased about two per cent. In May alone, the increase was 1.5 per cent. This increase is doubling a result, in the main, of prevailing lower prices."

"The fact that the public is taking more butter adds tremendously to the chances for a recovery in the butter industry. The public is once more becoming accustomed to using butter, just as two years ago high prices for butter caused many consumers to turn to substitutes."

"Butter prices averaged 11 cents lower in May than last year, but the difference in June has been much narrower. This is a reversal in relative price levels for the two months are compared with 1935 when June was lower than May. However, the June average will be the lowest for that month since 1930."

"The storing of butter is as yet scarcely under way on account of the uncertainty in the price situation. The total stocks a month ago were 35,000,000 pounds as compared with more than 50,000,000 pounds a year earlier. In a group of 26 cities, holdings are at this time some 12,000,000 pounds less than at the corresponding date in 1935."

"Manufactured milk products have shown a distinct decline in price. The average price for the month of May of dry skimmed milk was \$3.77 per 100 pounds as compared with \$3.89 for the same month in 1935. The whole milk price was \$4.07 for May 1935, as against \$4.07 for May 1936. The two prices for dry butter milk are \$3.28 and \$3.20.

## CIRCUS HERE TUESDAY

TOM MIX

BRIGHT and early tomorrow morning, the three long trains of the Sells-Floto circus will pull into Marion on the Pennsylvania tracks at 10:00 a. m. The circus will be in town for the first time since 1930.

The trains coming here from Mr. Vernon O. are expected to arrive about 5 a. m. The afternoon performance will be at 2 and the night performance at 8. Doors will open an hour before each performance. There will be no street parade.

From Marion the circus will go to its next stand at Ashland, Ind.

First to be greeted by the committee are the hundreds of working horses, always first to be unloaded from the stock cars, stepping off already harnessed and ready for their morning's work. Next come the ever welcome elephants, stock and bank of Charleston for \$3000.

one of a great help to the hundreds of men and horses in moving and hauling the heavy wagons about. Then come the panthers, tigers, horses, the ponies, camels, the cages with the lions, tigers, hyenas, pumas, and many other strange and interesting animals to be seen in the vast Sells-Floto menagerie, not overlooking Tom Mix, the enormous, blood-sweating hippopotamus.

The patience of the young ones is rewarded by a glimpse of Tom Mix, as in response to the call he steps upon the platform of his private car, flashing the famous Mix grin and waving his well-known white handkerchief. Then the trek to the circus lot begins, the boys and girls forming a happy and enthusiastic escort. Adv.

## TWO FARMS SOLD

MARYSVILLE, July 6—Two farms have been sold at sheriff's sale here. The McAdow farm in Taylor township of 102 acres was sold to the Prudential Life Insurance Co. for \$2,000. The Morrow farm of 70 acres in York township was sold to the Virginia Joint Stock Land Bank of Charleston for \$3,000.

## Flashes of Life

By The Associated Press

LANCASTER, Pa. This seems to be the only place where George Washington made a Fourth of July speech. Referring to a visit to what was then Lancaster and town of the new nation in the day's news. Monday, July 4, 1793. This being the anniversary of American independence and being kindly requested to do it, I agreed to halt here this day and partake of the entertainment which was preparing for the celebration of it. In the forenoon I walked about the town at half past 2 o'clock, I received and answered an address from the corporation and the compliments of the citizens of different denominations, directed between 3 and 4 o'clock drank tea with Mrs. Hand.

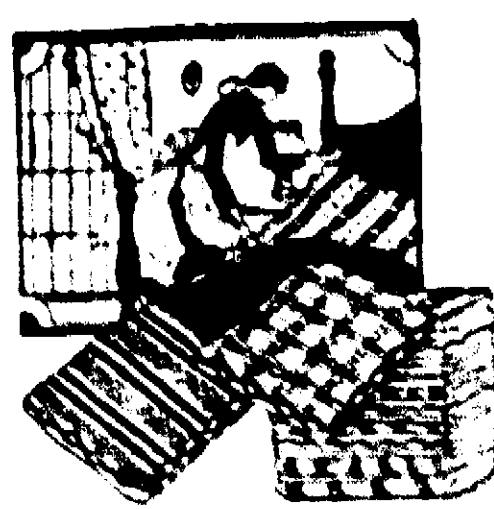

BOSTON, Mass. — There's been much ado about animals in connection with a new post-office. There was so much delay about starting it that Mayor Curley suggested a municipal cow be allowed to graze on the site. Postmaster General Brown answered with remarks about the mayor's "bull." And now a donkey engine has appeared on the scene.

COURTNEY, R. C. There can be danger to a ball player from a long fly. Fredrick Stupples, 29, misjudged one and was hit. The ball struck him over the heart.

NEW YORK — The Presbyterian hospital is to have a penthouse with two oxygen chambers for the treatment of pneumonia, heart disease and asthma.

NEW YORK — Polo shirts and shorts for girls are taken on the Coney Island boardwalk. There's a rule against the wearing of bathing suits there and so a policeman arrested Estelle Katzen and Dorothy Marion. The girls argued in court that they were not wearing bathing suits and the judge let them go with a warning they must not do it again.

THE SMOOTHNESS OF AN EIGHT  
... THE ECONOMY OF A FOUR

WALTER P. CHRYSLER  
 ANNOUNCES

NEW PLYMOUTH  
 FLOATING POWER  
 .. and FREE WHEELING

To produce in 1931 an achievement in motor car design, engineering and pricing so revolutionary that it transcends every previous standard of quality, performance and value in the field of lowest price is to challenge the world.

That is precisely what the New Plymouth does.

For years, while designing fine Sixes and Eights for Chrysler, Dodge and DeSoto, Chrysler Motors engineers have worked unceasingly for the perfected Four.

Now they give you the results of their labors and discoveries—

The New Plymouth, a quality car of lowest price with the Smoothness of an Eight and the Economy of a Four—due to Plymouth's exclusive Floating Power.

Here is power unshackled, yet power as smooth as satin, as soft as velvet. Here is power without vibration—literally floating; power so silken that even experts could not name the number of cylinders under the Plymouth hood, and many guessed the New Plymouth to be an Eight.

Plymouth now also gives you Free Wheeling which makes it possible to shift gears between all forward speeds without declutching.

Besides Free Wheeling Plymouth offers a new Easy-Shift transmission which makes it possible to shift not only from second to high at speeds of 35 or 45 miles an hour but back into second at these speeds, when you need sudden acceleration, without clashing or grinding.

The new Plymouth engine develops 56 brake-test horsepower—with actual stop-watch speed of 65 to 70 miles per hour; pick-up from 0 to 40 miles in 9.7 seconds.

Among all cars in the lowest-price field, only Plymouth has weather-proof hydraulic brakes—simplest and unexcelled for safety and smoothness.

Chrysler Motors engineers have given Plymouth a double-drop frame. Plymouth has a still lower center of gravity, still greater safety, still greater riding ease, still finer style. We believe the new Plymouth establishes in the field of lowest price a new degree of artistic advancement

with new eye-compelling beauty of line and color.

Plymouth challenges with full-size Safety-Steel body, with wire wheels standard, with hydraulic shock absorbers. No feature of comfort, of reliability, of economy has been left out of the New Plymouth.

I am happy to extend to the entire motoring world a cordial welcome to see, to drive and to ride in the New Plymouth, and to invite comparison between this exceptional product of Chrysler Motors engineering and any car in the world at or near its price.

NEW LOW PRICES—Roadster \$535, Sport Roadster \$595, Sport Phaeton \$595, Coupe \$565, Coupe (with rumble seat) \$610, Convertible Coupe \$645, Sedan (2-door) \$575, Sedan (4-door 3-window) \$635, f.o.b. factory. Wire wheels standard at no extra cost. Low delivered prices. Convenient time-payments. Non-shatterable plate glass is available on all models at small extra cost. 219

## New Marriage License Law Effective July 24

Five-Day Notice Intended To Stop Hasty and Unsuccessful Matrimonial Ventures; Other New Ohio Statutes in Force Soon.

By The Associated Press  
COLUMBUS, O., July 3.—Ohio's new marriage license law, requiring at least five days notice be given before a license be issued, will become operative July 24.

The new law is intended to stop hasty marriages and, in that way, its advocates hope the number of divorces will be diminished. Many divorces, they contend, result from young people not becoming sufficiently acquainted with each other before taking the marriage vows.

Three important measures enacted by the recent general assembly, and affecting the welfare of prisoners confined in the state's penal institutions, will become effective early in August. One restoring the

statutory maximum sentence and replacing the discretionary sentence by a fixed term, and another increasing the parole board from five to four members, been reported Aug. 3. The third of these laws, that giving prisoners the right to go to the highway, will become effective Aug. 6. It is estimated that more than 2,000 inmates of the various state penal institutions will be affected by this law and will be eligible for freedom when the law becomes effective.

**Judge's Power Restricted.**  
By restoring the statutory minimum sentence it will be impossible for judges to sentence a prisoner to a term longer than that provided by statute for the offense. These are given in the law. Sentences which are longer than the statutory maximum will be reduced to the maximum. The commission made him liable for immediate parole.

By increasing the parole board to four members from five, the board will be able to handle applications for parole more expeditiously, it is claimed. It is expected that the board will function by putting the work up among the members, each making his recommendations to the entire board for action.

Another law, dealing upon the welfare of prisoners and becoming effective also on Aug. 3, gives the governor the right to parole and pardon prisoners, and then to imprison them again after the fact is considered. Under present law this cannot be done.

After July 20 all persons under 18 years of age will have to be handled by juvenile courts first for whatever offense they may have committed. This law was prompted by a Belmont county case where a boy, 18, was convicted of murder without having first been placed under jurisdiction of the juvenile court. Under the new law, the juvenile court may assume complete jurisdiction of the case and impose corrective sentence or, if the circumstances warrant and the offense is of such serious nature, turn him over to the common pleas court.

**Court Status Changed.**  
Another law affecting juveniles and which becomes effective July 18, abolishes the concurrent jurisdiction now given common pleas and juvenile courts with juvenile courts in juvenile cases. This law is a companion of the previous one requiring all juveniles under 18 to be handled by the juvenile courts.

A law becoming effective July 16 requires that good married couples committed to county homes be kept together as a family unit in the home. Under present law they are required to be kept apart.

## The Stars Say—

For Tuesday, July 7

**Accidents to the stars.**—It is a fact that many of the great stars of the stage and screen have met with accidents. In the case of the stars of the stage, the accidents are usually of a minor nature, but in the case of the stars of the screen, the accidents are often of a serious nature. In the case of the stars of the stage, the accidents are usually of a minor nature, but in the case of the stars of the screen, the accidents are often of a serious nature.

## MORTGAGE LOANS ON UPWARD TREND HERE

Real Estate Financial Transactions Show Increase in Week.

Mortgage loans in Marion and Marion county continued on an upward trend last week, jumping to 16 mortgage loans totaling \$19,735, according to records of County Recorder Charles A. Market. During the preceding week, seven loans aggregating \$7,885 were placed. In the week ending June 20, only one mortgage for \$1,700 was placed.

Real estate transfers were not as numerous last week as during the preceding week, the number dropping from 22 to 15.

An analysis of last week's transactions that indicates a placing of \$13,000 of the \$19,735 in loans in city and county property, building and loan companies and other loans concerning placed \$2,925 of the loans.

Most mortgages were placed on county property with \$13,110 of the money borrowed on mortgages being secured by rural properties.

Realty transfers recorded last week follow:

Adrian A. Austin to Bertha S. Cooper, 28.28 acres in Clinton township, \$1.

John P. Anderson to Sanford Seckel, 170 acres in Clinton township, \$1.

Harry Bunker to Clara C. Bell, Marion lot, \$1.

Paul R. Bish to Raymond J. Mayfield, 10 acres in Clinton township, \$1.

Jacob D. Better, by executor, to Paul R. Bish, 10 acres in Clinton township, \$1250.

Earl H. and Alice Huntman to William P. Phillips, part of two Marion lots, \$1.

Gladys L. Keller to Karl W. Seckel, part Marion lot, \$1.

Paul Kutz and Mrs. C. Kutz to Emma Marie Warrick, part Marion lot, \$1.

John Kutz to Carrie E. Kreis, part two Marion lots, \$1.

Emilio V. Lewis to Northwestern Mutual Life Insurance Co., 44 acres in Prospect township, \$1,200.

Lulu May and George H. Mason to Nellie R. Sill, part Marion lot, \$1.

George Pfann to Sanford Seckel, 170 acres in Clinton township, \$1.

J. W. and Margaret E. Reed to Otto C. Reese, part two Marion lots, \$1.

Karl W. Seckel to Gladys D. Keller, Marion lot, \$1.

Sarah Schwabert to Marion National bank, one sixth part of two Marion lots, \$500.

Three Marion county youths taking military training at Fort Benjamin Harrison in Indiana have received promotions in grade, according to the publicity department of the fort. Nearly two dozen Marion and Marion county youths are attending this and other Citizens Military Training camp for a month this summer.

These receiving promotions include Ivan T. O'Brien of 285 E. 14th street who has been promoted to the grade of corporal in Company B, Paul R. Farrington of north Elm street, Prospect, who has been promoted to sergeant of Company F, and Daniel F. Hall of 222 Orchard street who also has been promoted to sergeant in Company B.

CHURCH NOTESPerform Zeig-Sparks Ceremony  
at Epworth M. E. Parsonage

SUNDAY morning at 8:30 o'clock Miss Dorothy Zeig, talented musician of Marion, and Charles G. Sparks of Columbus, repeated the single ring service of the Methodist Episcopal church before Dr. C. E. Turley, pastor of Epworth church, at the parsonage on east Center street.

Miss Thelma Barton, a sorority sister of the bride, and Robert E. Conley were bridesmaid and best man to the couple. Mrs. Sparks is the daughter of Mr. and Mrs. Walter Zeig of 5th Pearl street and Mr. Sparks is the son of Mr. and Mrs. George Sparks of Washington, D. C.

The bride chose a wedding dress of aquamarine blue crepe, fitted at the waist and held with a band of peach velvet ribbon. A double row of pleating formed the cap sleeves. The full skirt was of moderate length. Her hat was of blonde straw braided with flowers the same shade of her dress and she wore blonde lace mitts and blonde slippers. Her flowers were an arm bouquet of Johanna Hill roses and delphinium tied with white ribbon and tulle.

Miss Barton was in Alice blue crepe with blonde lace mitts, blonde slippers and a straw braided hat the shade of her dress. Her flowers were Columbian roses, gypsophila and delphinium, tied with rose tulle.

Mrs. Zeig, mother of the bride, served a wedding breakfast to the immediate relatives and members of the wedding party. Yellow and green the brides wedding colors formed the color scheme for the table appointments. The centerpiece was of yellow summer flowers and tall yellow tapers.

Mr. and Mrs. Sparks left on a week's wedding trip, their destination unknown. Mrs. Sparks wore a going-away costume of a red and white polka dot dress with a navy blue crepe jacket, navy blue shoes and hat and white gloves.

Upon their return they will be at home at 1377 Northwest Boulevard, Columbus. Mr. Sparks is employed as assistant manager of the carpet work room at the E. & R. Lazarus Co. Mrs. Sparks, a graduate of Harding High school in 1928, has been employed as travel clerk at the Marion National bank. She is a member of Gamma Mu chapter, Delta Theta Tau sorority.

Alpha Class  
Holds Picnic  
The Alpha class of First Baptist church held a picnic Tuesday evening at the Prospect drive-in. Bathing and games were enjoyed by Miss Margaret Hemminger, guest. A monthly meeting will be held in July.

Wayside Circle  
Plans Picnic  
A picnic was planned for Aug. 14 at Harrison Smith park in Upper Sandusky at a meeting of Wayside Circle, Wayside Park Baptist church, Friday afternoon with Mrs. Edith Hazen of Oak street. The circle voted to discontinue meetings until Sept. 4.

Miss Helen Thew was a guest. After a short business meeting, contests were held in which home-made goods were awarded. Mrs. Blanche Heflinger, Mrs. Minnie Collins and Mrs. Grace Randolph, Mrs. Hazen and the assisting hostesses Mrs. Adeline Johnston, served lunch, assisted by Mrs. Thew.

Dinner Guests  
at Winfield Home  
Mr. and Mrs. Walter Winfield of east Farming street entertained at dinner Sunday. Their guests were Mr. and Mrs. Stanley Thomas and family of Cleveland and Mr. and Mrs. Frank Brunson and family and Mr. and Mrs. Harrison Cleveland and son of Marion.

Plenit Supper To  
Be Held by Circle  
The Happy Thought circle of the First Reformed church is to hold a plenit supper at Garfield park Tuesday afternoon. The families of members are invited to attend. In the event of rain, the supper will be held in the basement of the church. The plenit supper will take the place of the regular monthly meeting.

Entertain Sunday  
School Class  
Misses Georgia and Doris George entertained the Langdon Bible class of the Lee Street Presbyterian church Friday evening at their home on Silver street. The meeting was held on the lawn of the home and after a business session, a social time of games and contests was enjoyed. Mrs. Charles Stephenson and Mrs. Mae McCoy won contest honors. Refreshments were served by the hostesses. Plans were made for a winter and march.

Ladies' Auxiliary Gets  
Three New Members  
Three new members were initiated into Whitney Lodge No. 836, Ladies' Auxiliary of the Brotherhood of Railway Trainmen, at the meeting held Friday night at the Central Union hall. The report on the International convention of the order, held recently at Denver, Colo., that was to have been given by Mrs. Harry Zeig at this meeting, has been scheduled for the next meeting, Aug. 7. The meeting will start at 7 p. m. It was decided to have one meeting during July and August instead of the regular meeting every two weeks.

A social committee to serve for the next quarter was appointed and includes Mrs. D. J. Finley, chairman, Mrs. W. C. Perry, Mrs. Julia Gandert, and Mrs. J. Mahan.

Statue of Liberty To  
Get Beauty Treatment  
By International News Service  
NEW YORK, July 6.—The statue of Liberty is to undergo a beauty treatment.

An absolute system, which gives the bronze goddess an ugly nose and follows under the cheeks, is to be removed according to announcement today. A system of lights, to cost \$150,000, will be installed and the statue will undergo a thorough washing.

Experimental exhibition of sound pictures in French had led to the King of Spain directing the erection of a theater to accommodate 2,000 persons for their display.

Electrical recording apparatus has been invented to test the resistance of overcoats to cold, showing the number of heat units that pass through various textiles.

Mr. and Mrs. Adrian Foss of Portsmouth, O., Mr. and Mrs. Roscoe Kopp of Mansfield, and Mr. and Mrs. Sella Boice of LaRue.

FOR SUMMER'S MORE FORMAL OCCASIONS

A chiffon print is used to create a daintily semi-formal frock (center) for the summer garden or bridge party. The frock of mousseline at left finds a contrasting note in the velvet girdle and nosegay of old-time blossoms. For evening wear, the gown at right is created of all-over eyelet embroidery over green taffeta.

Colorado "Holes in Ground"  
Cost Millions of Dollars

By United Press  
DENVER, Colo.—Millions of dollars have been "thrown into holes in the ground" in Colorado.

Known for the gorgeous vista presented by her mountains, Colorado may become famed for the length and quantity of her tunnels. Already she has some of the most famous in the country.

The Moffat tunnel is the most famous of all and was constructed at a cost of millions of dollars, for railroad use, as a cut-off through the mountains. The tunnel hardly had gotten well under way until it was the subject of a controversy which had gone through most of the courts in the land, not to mention the Interstate Commerce Commission.

Railroads, and tax-payers, who must pay for the tunnel, are battling over its use.

The big bore is 64 miles in length, and is but one of 52 tunnels on the Denver and Salt Lake Railway between Denver and

Cost of tunnels in the state at hundreds of millions of dollars, and refuses to make even a guess as to the total length of the human burrows.

Craig, Colo. Altogether the tunnels total some 196 miles.

The Denver and Rio Grande Western, another railroad, has more than two miles of tunnels in Colorado.

A five-mile tunnel carries irrigation water from the Gunnison river to the Uncompaghe valley.

The Busk-Ivanhoe tunnel, a part of state highway No. 104, near the once famous mining camp of Leadville, Colo., is nearly two miles long.

The Shoshone tunnel, a water tunnel, near Glenwood Springs, totals more than two miles in length. There is a 4.6 mile tunnel at Idaho Springs.

But by far the greatest mileage in tunnels in Colorado is in mine tunnels far beneath the surface of the Rockies.

In one mine alone, the Frederick, in Las Animas county, the total underground tunnel system is nearly 30 miles.

A state bulletin places the total

## FIREMEN WIN FROM RAILROADERS TO TOP COMMERCIAL CIRCUIT

Shoemaker Weakens in Seventh and Prospect Drives in 6-5 Victory.

**STANDINGS**

Club	W.	L.	Pct.
Prospect	6	1	.857
Serv-U-Wel	5	1	.833
Kappas	4	1	.800
Erie Traffic Club	3	3	.500
K. of P.	4	3	.571
Excavator	1	4	.200
Company B	1	6	.143
Wesley Juniors	0	7	.000

THE Prospect Firemen of the Commercial league hoisted themselves into undisputed possession of first place in the standings last Friday by handing the Erie Traffic club a 6-5 setback. This was the only game played in the league on that date, the other three being postponed on account of inability to muster all the players on the pre-holiday day. The Firemen are now a half game ahead of the Serv-U-Wel Grocers with a record of six games won and one lost for a percentage of .857. The Grocers are trailing close behind with a mark of .833. The Kappas, league champions of 1930, have a record of four won and one lost, having played two games less than the leaders.

Prospect took a four run lead on the railroaders in the initial frame of the Friday conflict and added another in the second to take what looked like an unbeatable margin. However in the third the Erie nine unlimbered the heavy bats and clubbed "Dutch" Laurs for six hits and five runs to knot the count.

Don Shoemaker, Erie hurler, then led the Firemen down with only two hits in the next four innings but weakened in the seventh and allowed four straight singles that brought in a run and won the ball game for Prospect.

Prospect garnered a total of 10 hits while the Firemen clouted safely on 11 occasions. Kellogg, Erie shortstop barked out a triple, the only extra base hit of the game.

## SCHMELING ENROUTE TO VISIT HOMELAND

Conqueror of Stribling Plans Vigorous Defense of Heavyweight Title.

NEW YORK, July 4.—Max Schmeling, the heavyweight champion, is leaving on a couple of months but he will be back in August to defend his title against the best man the division can offer.

The Teuton youngster who flayed Bill Stribling in Cleveland the night before the fourth will sail at midnight on the Bremen to visit his mother in Berlin, and return here in time to fight either Primo Carnera, Jack Sharkey or Mickey Walker, in September.

Schmeling returned to New York from Cleveland with only a bruised left eye to show for the night of battle with Stribling, a night that may mark the turning point in the heavyweight depression that set in with the downfall of Jack Dempsey and the abdication of Gene Tunney a couple of years ago.

The pleasant young German did more than just conquer a challenger for his throne when he carefully and mercilessly cut Stribling down through the final 10 rounds of the 15-round duel, flooring Referee George Blake to halt the contest with only 14 seconds remaining in the final round.

## Steam Shovel Beaten by West Mansfield Team

Seven runs in the first frame and four more in the second by West Mansfield piled up too large a lead for the Marion Steam Shovel nine to overcome Saturday and the Diggers took a beating from the out-of-town team 12 to 7. The twelfth score was chased across the plate in the eighth inning. Five errors did a lot to aid the West Mansfield nine put the skids under the Shovel team.

## BITTER BATTLES ON SCHEDULE FOR WEEK

Managers in Line as Fight Goes on for Leadership of Leagues.

BY BOB KIRKPATRICK  
Sports Editor, The Star

THEORETICALLY speaking, all of the fireworks for 1931 should have been shot off last week but as far as recreation baseball in Marion is concerned "you will see nothing yet."

With standings in three of the four leagues so completely tied, the managers are in a daze trying to figure out a means either of getting their team on top or keeping it there, there is every indication that the four city play grounds will be the scene of some bitterly fought battles this week. No league winners will be decided in the games of the next six days or in the following six either, in case you're interested in looking that far ahead, but the local and aspirations of some few teams will be given a distinct boost while the same hopes and aspirations of some others will be handed a severe jolting as a result of the week's schedule.

**Leaders Meet Wesley**  
The schedule of the No. 2 Sunday school league is so arranged that I am almost afraid to figure out the standings in case of a couple of upsets. St. Paul, the league pacesetter at present, will take on a tall order in Wesley M. E. but these tailenders this season have developed a bad habit of having a good night against the leaders and thus keeping the standings in an upsurge.

The Presbyterians and Christian Seniors, who are both pounding at the heels of St. Paul, have an opportunity to go into a tie for the lead in case both win and St. Paul loses. If this happens, oh, figure it out yourself. It's beyond my mathematical ability.

**Figure This Out**  
A real bombshell is destined to explode Tuesday when the No. 1 Sunday school teams line up for forces and salty foath to battle.

## BURKE AND VON ELM STILL IN DEADLOCK AT END OF PLAY-OFF

36-Hole Match Fails To Decide Winner of National Open Crown.

BY PAUL MCKELSON

TOLEDO, O. July 6.—The long distance non-stop flight epidemic has gripped the 1931 National Open golf championship.

George Von Elm, big business man of the links from Los Angeles, and that ironman Philo from Greenwich, Conn., Billie Burke, were still waiting the word to hole out today in search of the golden fibers of American golf, which Bobby Jones surrendered without flinching a single shot.

It was the fifth day of the record-breaking flight of golf, more than half the time it took Post and Gatty to skin around the world.

Von Elm who sank a 15 foot putt for a birdie three, on the final green of the 72 hole regulation battle for the title Saturday.

Competition will drop a few degrees in intensity in the Industrial and Commercial leagues this week. Only two or three games being carried that are likely to produce results of much consequence in the standings.

**Slings Long One**  
Coming to the final one shot behind because of a late rally by Burke, the big business man from the Pacific whacked a night drive 245 yards down the fairway of the 325 yard hole, sailed his pitch 12 feet from the pin and then calmly and surely sank his putt for a birdie three to keep the fight in a deadlock.

Both players weary and drawn by the 108 hole round of the past five days, over the treacherous course where one bad shot means disaster and worried still more by the prospect of today's 36 hole fight, staggered into the clubhouse.

Yesterday's fight, part of it in an oppressively sticky heat and another part in a whipping rain, was a ding-dong golf drama from start to finish. Both players wound up with 119 scores, even shots over par for the distance, but they provided enough thrills to make this big show of American golf a never-to-be-forgotten fight. Only 14 holes of the 36 were halved and three of them were squared with birdies or super golf.

Plans are going forward in the baseball commission now for the staging of a double-header benefit bill on Wednesday, July 15, to assist in paying the costs of these accidents.

Details of the games are not available now but will be within a few days. Here's hoping the supporters of softball will demonstrate their willingness to support a good cause when advance tickets are brought around for this benefit. The two principals deserve anything derived from the games.

Gray Beats Chicago  
Sammy Gray pitched a fine game for the St. Louis Browns in the opener, giving Chicago only four hits, to win by a 3-1 count.

But Wallace Hubert and two amateurs proved less effective in the second clash and the White Sox hammered out a 6-5 victory. The other slugging match of the day came in Cincinnati where the Pittsburgh Pirates came from behind with a 15 hit assault on the home pitchers and beat the Reds 6-4.

Danny MacFayden of the Boston Red Sox gave the New York Yankees only seven hits in 11 innings but was hard pressed to win as both teams tossed away chances through errors. Arndt Jorgens would throw in the eleventh proved the deciding factor, paving the way for a three run rally and Boston's 6-3 triumph.

Wesley Ferrell, Cleveland's ace, got off to a bad start against Detroit while the Indians were just beginning to bunch some of their six hits off Vic Sorrell when ran out short the contest. The final count of the seven inning game was 5 to 4 for Detroit.

## SPORTS

ROBINS TAKE SERIES FROM GOTHAM CLUB, WINNING FINALE 4-3

BY HUGH S. FULLERTON, JR.  
Associated Press Sports Writer.

The Boston Braves are finding a lot of use in their task of looking a satisfactory third baseman, they can have some consolation in the mound work of Fred Frankhouse.

Frankhouse, who did not perform with special brilliance after he was obtained from St. Louis last year, has suddenly blossomed out as a consistent winner. He has won all of his last five games.

The best performance of the mound yesterday when Frankhouse limited the Phillies to four hits in a duel with Ray Benge, who gave six and won 4-2. Benge drove in two runs for the Phils but Red Worthington, evaded things with a homer and Earl Shely drove in two more runs.

Adolfo Luque and Jack Quinn, two Brooklyn veterans, got together and held the New York Giants to six blows as Brooklyn came through in the ninth to win 4-3, and sweep the series. All the New York runs came in the sixth, two on Mel Ott's home. The three straight victories put the Robins in third place.

**Malone Wins Duel**  
Pat Derringer of St. Louis and Pat Malone of Chicago duelled for ten innings after allowing seven hits, but Malone proved the stronger pitcher, winning 2-1. He pitched near perfect ball after the first inning and scored the winning run himself after clouting a double.

Some of the edge was taken off the opening of the American league's "crucial" series between Philadelphia and Washington by the fact that the Senators could get no closer than 2½ games from the A's by winning all three games.

But things looked up a bit after Washington slipped away with a 4-2 victory. George Earnshaw threw well for the champions but fielded weakly. He gave only six hits while Fred Macberry allowed eight, but helped toss away the game by making two errors.

Gray Beats Chicago  
Sammy Gray pitched a fine game for the St. Louis Browns in the opener, giving Chicago only four hits, to win by a 3-1 count.

But Wallace Hubert and two amateurs proved less effective in the second clash and the White Sox hammered out a 6-5 victory. The other slugging match of the day came in Cincinnati where the Pittsburgh Pirates came from behind with a 15 hit assault on the home pitchers and beat the Reds 6-4.

## FIRST JOB OF KIND

The first woman to be named probator officer in the federal courts of Massachusetts is Mary McSwaney (above), of West Concord, Mass. Miss McSwaney's father, Richard McSwaney, is also a probator officer in the federal courts at Boston. He was the first to congratulate his attractive daughter on the unusual honor.

**STEAM-SHOVEL CO. EMPLOYE CLAIMED**

H. C. Wood, 29, Machinist, Dies After Short Illness.

Howard Clarence Wood, 29, machinist at the Marion Steam Shovel Co., died of nephritis yesterday at 3:15 p. m. at his home at 468 Park boulevard. He had been ill two weeks.

Funeral services will be held Tuesday at 1:30 p. m. at the home and at 2 p. m. at the Prospect Street M. E. church, with the pastor, Rev. Karl W. Patow, officiating. Burial will be made in Marion cemetery.

Mr. Wood was born Dec. 3, 1901, in Lawrence county, O., to William H. and Elizabeth E. Sites Wood. His father is living in Lawrence county. His mother preceded him in death.

Surviving him is his wife, Mrs. Myrtle Roth Williams. Wood, to whom he was married July 25, 1925, in Marion and two brothers and a sister, Elmer F. Wood of Platteville, O., John L. Wood of the same place and Mrs. Grace E. Ferguson of Columbus.

The body will be removed from the C. E. Curtis Co. mortuary on east Center street late this afternoon and may be viewed at the home after 7 p. m.

## LOCAL WOMAN DIES AT DAUGHTER'S HOME

Mrs. Henrietta Boyer, 83, Claimed: Funeral To Be Tuesday.

Funeral services will be held Tuesday for Mrs. Henrietta Boyer, 83, who died Saturday at 9:10 p. m. at the home of her daughter Mrs. Joseph Higley of 469 east Mark street. She had been in ill health for the last month.

Surviving are her daughter at whose home she died, two other daughters and two sons. Mrs. Edward Miller of Wallace street, Mrs.

Edward Robinson of Herman street and Walter Boyer and James Boyer of Columbus. Three sisters and a brother are living. They are Mrs. Ray Smith of north Main street, Mrs. Lewis Bender of Lorain, Mrs. Hazel Davidson of Colton, O., and Thomas Naylor of Bowling Green.

Services will be held at 9:30 a. m. at the C. E. Curtis Co. mortuary on east Center street with Rev. Irvin Kauffman, pastor of the Greenwood church in charge. Burial will be made in Marion cemetery. Friends may view the body at the mortuary.

# The Warner & Edwards Co.

## 47 YEARS

The name Warner & Edwards, today stands for quality --- service --- and value, as it has done for 47 years.

Tuesday, July 7th we celebrate our Forty-seventh Anniversary with outstanding values.

All through the downward revision in prices, we maintained our standard of quality and now we are in a position to offer quality merchandise at the lowest prices in a decade.

It has been a long time since prices in the textile markets have been as low as at present. It is probable that many people of this generation little dreamed that the price of merchandise could reach this low level.

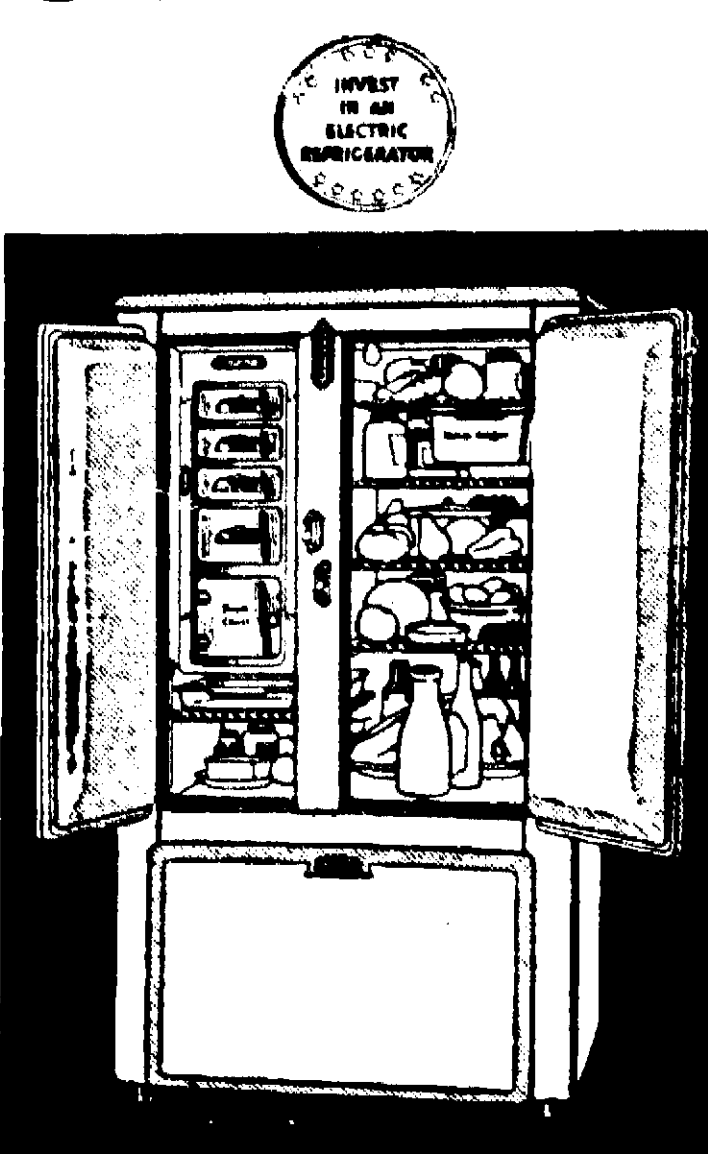

Then come in and get your share of the special values offered during our Anniversary Sale.

LOWER PRICES IN ALL DEPARTMENNS

**STANDARD RATING SCALE for Electric Refrigeration**

- Is the refrigerator manufactured by a reliable company with proper experience in the electric refrigeration field?
- Has it plenty of food and shelf space?
- Is the cabinet itself well designed, sturdily built and properly insulated?
- Is there provision for the freezing of an adequate supply of ice cubes? Quantity of ice rather than number of cubes, which may be of large or small size, should be taken into consideration.
- Will the refrigerator constantly maintain a proper temperature for the preservation of foods?
- Can the freezing of ice cubes and defrosts be speeded up when the need arises?

## STRAIGHT THROUGH

The Kelvinator line includes models priced from \$174.50, f.o.b. factory, upward. Any one of these may be purchased

On Our Monthly Budget Plan.

**3 YEAR GUARANTEE**

- Can this extra freezing speed for ice cubes be had without affecting the temperature on the food shelves? (Too low a temperature on the shelves will, of course, injure food.)
- Is there a place to keep ice cream, meat, fish, game, "quick frozen" foods or extra ice cubes indefinitely at a below freezing temperature?
- Are these various temperatures (a. extra fast freezing; b. fast freezing; c. below freezing for storage; and d. normal food preservation temperature) automatically maintained without any attention from the owner?
- Does the refrigerating unit operate often or infrequently? (The fewer "stops" and "starts" the longer the unit will last and the less it costs to run.)
- How long will the cooling unit continue to cool the refrigerator even though the current is shut off? (Refrigeration should continue for 10 or 12 hours.)
- Can the back parts of all shelves, even the lowest, be reached without kneeling or sitting down?
- Has provision been made for keeping vegetables fresh and crisp?
- Can the refrigerator top be used to "set things down for a moment" while the contents of the cabinet are being rearranged?
- Will the refrigerator add to the attractiveness of the kitchen?
- Has the experience of users over a long period of years proved the refrigerator long-lived and dependable?

## to TRUE VALUE

with this new method of judging Refrigeration

Now — with the Standard Rating Scale — you can choose electric refrigeration like an expert. You can go straight through single unimportant "features" to those essential advantages that mean lasting satisfaction. You weigh all the facts. Come in and measure Kelvinator by the Scale — find out why Kelvinator, the oldest domestic electric refrigeration, is recognized as the greatest value as well.
